The youth of our community need your help. From academic failure and gang violence to poverty, drugs and obesity, they face a daunting array of problems with serious consequences and fewer safety nets at home and in society. The Boys & Girls Club is there to support and assist our area youth. But, we need your assistance. With your help, we envision a future in which success is within reach of every child.

Please consider advertising in our auction program guide. Your advertisement will be seen by the more than 170 community leaders and concerned citizens who support our event each year. Your commitment to the youth of our community will be showcased to this influential audience – enabling us to reach our goals and to truly make a difference in the lives of our Club members and their families.

We welcome your participation.
