with

**Toby Tarnow, Artistic Director  
Riverbend School of Theater Arts**

The Riverbend Summer Theater Intensive is designed to encourage creativity. Students will create their own original drama and bring it to life on stage. Using an innovative collaborative process, the class will write, cast, direct, rehearse, and perform their plays before an audience of family, friends and campers. No acting experience required, only a creative spirit and a desire to perform on stage.

The purpose of the Intensive is to nurture creativity, communication, collaboration and confidence using acting exercises, movement, voice, writing and improvisation.

Toby Tarnow is an award winning Canadian actress and theater producer; she was the original Anne in the musical version of *Anne of Green Gables*.
