Final Performance - on stage at the Amato Center

Friday July 9 (1:00pm - 2:00pm)

Families, friends and other campers invited.

The Riverbend School of Theater Arts goal is to provide a safe theater environment for children, ages 10-18, to learn the values of cooperation and collaboration, build group communication skills, and develop presence and confidence. All the while discovering and experiencing their own creative process.

Our goal is to train area students, and provide an opportunity to practice on stage at the Amato Center for the Performing Arts. Join us for fun and to begin training to be a member of the Riverbend School of Theater Arts productions. Our local children will communicate magic, wonder and joy in performance, to audiences at the Amato Center for the Performing Arts. A limited number of full and partial needs based scholarships are available.
